CONTRACT TERMS AND CONDITIONS

The following terms and conditions will apply to the sale of the property described within this Request for Proposals:

1. The sale of the property is subject to review and recommendation by the Mayor and Chief Procurement Officer and by an evaluation committee consisting of several city officials. The sale of the property is subject to the provisions of Chapter 30B and any/all other applicable state/local provisions.
2. The selected Buyer must execute a Purchase and Sales Agreement with the City of Brockton within thirty (30) days of notice by the City of the approval to sell the property. The City reserves the right to waive or extend this deadline as it sees fit.
3. The selected Buyer must purchase the property within ninety (90) days of the execution of the Purchase and Sales Agreement. The City reserves the right to extend this deadline.
4. The selected Buyer agrees to buy the property "AS IS" and agrees to be solely responsible for obtaining any and all permits, approvals, waivers, releases, or any other requirements necessary to use or develop the property.

MUNICIPAL PROPERTY OVERVIEW

1. PROPERTY DESCRIPTION

The site is comprised of a **2.664 Total Acreage** parcel being identified as Map 103 Route090, and said portion containing 2.664 Total Acreage, more or less. Said land is located in a **C2 zone.** For further Zoning information, please click or copy the following link: http://www.brockton.ma.us/Libraries/Ordinances/Appendix_C_-_Zoning.sflb.ashx

2. CONDITION OF PROPERTY

The property for disposition is available "AS IS," and the City of Brockton will not make any improvements or changes to the property as a condition of sale. Conveyance to the successful Proposer shall be subject to all restrictions and conditions of record, insofar as they may be in force and applicable to said parcel and are subject to Exhibit "A".

3. CHAPTER 21E/M.G.L.

The City of Brockton does not warrant that any land parcel available for disposition is free and clear of any contamination as defined by Chapter 21E. Proposer will assume all costs and responsibilities for any testing and/or removal of any contamination that may be present on any of the property. The buyer will assume all responsibilities for any contamination and will hold the City harmless for any costs to clean the property of any contamination.

4. SUBDIVISION/PERMITS/APPROVALS

All costs and responsibilities for obtaining subdivision approval, site plan approval and releases for any easements, covenants, or any other restrictions that may be present on the property will be the responsibility of the Buyer including but not limited to any municipal, state or federal provisions.

5. ZONING

Allowed uses will be according to the Zoning Ordinance. Any proposed use of the property shall be in compliance with said Zoning District or subject to approval by the City's Zoning Board of Appeals.

The City of Brockton understands that present zoning may not be conducive to site redevelopment. With that in mind the City of Brockton will allow the successful proposer to go through the ZBA (Zoning Board of Appeals) process, and if unsuccessful before the ZBA, their deposit will be refunded in full.

MINIMUM EVALUATION CRITERIA

All Proposers must include the following components in their respective Proposals in order to be considered for review to meet the minimum criteria to be considered acceptable for this property sale:

Brockton is over ninety-percent developed (90%). As a traditional manufacturing community, Brockton seeks every opportunity to establish appropriate sites for development, especially those with good highway access, located some distance from neighborhoods, where the character of the area will be enhanced rather than detracted by an industrial facility.

1. The applicant must demonstrate through written text any/all experience over the past (10) ten years in the ability to comply with Exhibit "A". (Development and/or Operation, Financing, and Implementation of Commercial property).
2. The applicant must supply a minimum of (3) three references from any residential/business development projects previously completed.
3. If the applicant is an out-of-state corporation they must be licensed to do business in Massachusetts and have a resident agent documented in this proposal.

COMPARATIVE EVALUATION CRITERIA

THE HIGHEST AND BEST USE NARRATIVE: The City of Brockton is looking for a detailed narrative of "highest and best use" of this site, in particular utilizing municipal information, compliance with the definition of highest and best use, and the applicant's vision of utilization. This narrative should not be more than fifteen (15) pages with appropriate attachments documenting in detail the applicant's position for implementation and development of this site.

The highest and best use is defined by The Dictionary of Real Estate Appraisal Third Edition, published by the Appraisal Institute as:

"The reasonably probable and legal use of vacant land or an improved property, which is physically possible, appropriately supported, financially feasible, and that results in the highest value. The four criteria the highest and best use must meet are legal permissibility, physical possibility, financial feasibility, and maximum profitability."

Impacts that should be described in writing, in detail by the proposer that will be evaluated include but are not limited to: volume and type of traffic generated, noise levels, hours of operation, clear explanation and measurement of any environmental impacts on air, land and/or water, quality of life, and visual impacts.

The City of Brockton states that the highest and best use of this property is contained in Exhibit "A".

The City will include the following criteria in evaluating proposals:

1. Description of the added economic enhancement and benefits to the immediate area as well as to the City of Brockton.
2. The applicant must demonstrate and verify that they are in good financial standing by a previous audit and/or other related verification (city, state and federal). The applicant must also verify that they are able to obtain financing for the purchase and proposed redevelopment.
3. List any in-kind support services planned for the development of the parcel.
4. Proof of successful present or past performance working in the area of real estate development.

*Note: The narrative will constitute 75% of the City's decision in order to determine the most highly advantageous Proposer.

RANKING

A. Highly Advantageous: Meets or exceeds any/all City criteria with extensive supportive documentation regarding best use analysis. 65% - 75%

B. Advantageous: Meets most of the City's criteria with appropriate supportive documentation regarding best use analysis. 55%-64%

C. Acceptable: Meets only half of the City's criteria with only limited supportive documentation regarding best use analysis. 45%-54%

D. Disadvantageous: Meets few, if any of the City's criteria with minimal supportive documentation regarding best use analysis. 0%-44%

COMPARATIVE EVALUATION CRITERIA: PRICE PROPOSAL

The applicant must submit a price proposal based on all the information included in this application. The City will weigh the price proposal on the following scale:

- | | | |
|------------------------|----------------------------|------------|
| a. Highly advantageous | \$1,200,000 and above | 25% |
| b. Advantageous | \$1,050,000 to \$1,199,999 | 20% to 24% |
| c. Acceptable | \$900,000 to \$1,049,999 | 15% to 19% |
| d. Disadvantageous | \$899,999 and below | 0% to 14% |

3. REJECTION OF PROPOSAL

The city reserves the right to reject any/or all Proposals that do not meet the submission requirements or evaluation criteria contained in the RFP.

4. ADDENDUM

Any Addendum's to the RFP will be sent to those who received a copy by registered or fax mail. The City will not be notifying anyone who received a copy of the Request for Proposals from anyone other than the originator. If it is impossible to notify all parties who received an RFP from the Procurement Office of an Addendum prior to the deadline for submission, the City reserves the right to extend the deadline for submission through proper notice.

EVALUATION AND DECISION MAKING PROCEDURES

The proposals will be opened publicly on, Monday, November 14, 2011 at 4:10 p.m. in the GAR Room, 2nd Floor, City Hall, 45 School Street, Brockton, MA 02301. The City will set up a review committee consisting of, at a minimum, several city officials. Following the committee review, the most advantageous proposal will be recommended to the Chief Procurement Officer for disposition. After the review of the proposal recommendation and a compliance check in conjunction with other City Departments, the Chief Procurement Officer shall issue a Letter of Intent to Award to the successful proposer.
